Presented by i4029 Ministries

In Hosea 4:6, God warns: "My people perish for lack of knowledge."

At i4029 Ministries, our purpose is to effectively equip the bride of Christ as we anxiously await His soon return.

We are hosting The Unsealed Scroll Prophecy Conference the weekend of October 4-6, 2019! Our primary audience includes God-fearing remnant believers in the body of Christ who are hungry- in fact, starving, for knowledge, wisdom, and understanding of Bible Prophecy, and how this relates to the past, present, and future. This community of believers understands the immense blessing it is to live in America, where we have the freedom to worship The One True God openly.

More than a thousand people from all walks of life, different nations, states, denominations, races/cultures and economic status who seek to go much deeper and well beyond the basics of the Bible will be in attendance. We will have 13 renowned, dynamic speakers discussing a wide variety of topics related to Bible Prophecy and why it is important for the body of Christ to have this knowledge!

In addition to the live audience attending our conference, we are actively involved in numerous prophecy watcher communities online. During our first annual conference in San Antonio, tweets using the hashtag #UnsealedScroll will reach the remnant church community regularly.
